■ The Board of Trustees at the Woodbury Public Library will change their meeting date in May. The Board will meet May 27th at 3:30 p.m.

The library is at 33 Delaware St., Call 845-2611

Library by mail

The Gloucester County Library System will soon offer its customers the option to receive items they have placed on "hold" via the U.S. Mail. Called MailLit, this service will send any book, CD, or DVD from the GCLS collection to the library's registered borrowers at their homes. The MailLit program, funded through a grant from the South Jersey Regional Library Cooperative, will be available starting June 16.

Currently, borrowers reserving an item can have it delivered to their closest branch library for pick up. With MailLit, GCLS borrowers have the option of choosing "Mail" at the time he or she places a hold on a title in the library's collection. Items currently on the shelves at the library system's five branches in Mullica Hill, Glassboro, Greenwich Township, Logan Township or Swedesboro will be mailed to the customer by the end of the next business day after the hold has been placed. Holds can be placed from the library's

on-line catalog either from home (by visiting www.gcls.org and clicking on "Library Catalog") or from within a GCLS library. Customers can also call their nearest GCLS branch to place the hold.

MailLit is for everyone — adults, teens or children. All types of materials can be requested: fiction and nonfiction books, music CDs, audio books, DVDs and video cassettes, even best-sellers. Titles with a waiting list and items on order from the publisher but not yet received will be provided when they become available.

MailLit customers can return their materials in the mailing container used to ship the items using the enclosed mailing label. The customer will be responsible for return postage. Or they can drop off the items at their nearest library for free.

For more information call the Gloucester County Library's Circulation Department at (856) 223-6060.
