MailLit - Your Library by Mail!

Now GCLS library users can have reserved items delivered to their homes via US Mail.

MailLit is for everyone who holds a card from one of the GCLS branch or association libraries - adults, teens or children. All types of materials can be requested: fiction and nonfiction books, music CDs, audio books, and videos.

With MailLit, GCLS borrowers have the option of choosing "Mail" at the time they place holds on titles in the library's collection. Items currently on the shelves at the library system's five branches will be mailed to the customer by the end of the next business day after the hold has been placed.
